

# ⚠️ ATTENTION: EMPLOYEES AND VISITORS ⚠️

Our business is following state-mandated face mask and social distancing requirements. All employees and visitors will be asked to wear a face mask.

Do you have any of the following symptoms?

Have you been confirmed positive for COVID-19 and, if so, are you still under restrictions or still experiencing symptoms?

Have you been in close contact with a presumptive or positive COVID-19 case within the last 14 days?

Have you been in close contact with any persons who are exhibiting the symptoms above?

Have you been directed to self-isolate, or are you living with/have close contact with someone who has been required to self-isolate by a public health official?

**If you answered yes to any of the questions, please do not enter the building. Stay home until symptoms subside and your health care provider no longer requires you to quarantine. Thank you.**
