

Contingent Annuity - Beneficiary is *not* Surviving Spouse: A lifetime monthly income is payable to you, beginning on your benefit starting date and continuing until the last payment due before your death. If you are survived by the contingent annuitant (beneficiary) you have named, a monthly income will be continued during the lifetime of the contingent annuitant. If you are married, you must obtain your spouse's consent to the designation of the contingent annuitant. The percentage of the reduced benefit which you may specify to be continued to the contingent annuitant may be either 100%, 75%, 66 2/3%, or 50%.

Single Sum Payment: Instead of lifetime monthly income payments, the vested balance in your account will be paid in a single sum.

Installment Payment (specific limitations may apply to this option under the terms of your plan): Instead of lifetime monthly income payments, the vested balance in your account will be paid in installment payments.

Partial Payment: Instead of lifetime monthly income payments, the vested balance in your account will be paid in partial payments.

Joint and Survivor Annuity Waiver Rights

You have at least 30 days to consider whether to waive the Qualified Joint and Survivor Annuity and elect another form of benefit. If, after receiving this Explanation, you affirmatively elect a distribution and your spouse consents to that form (if necessary), your distribution may be made less than 30 days from the date this Explanation was given to you provided:

- Your distribution election is revocable until the later of (a) your benefit starting date, or (b) prior to the expiration of the 7-day period that begins the date after you receive this Explanation;
- Your benefit starting date is a date after the date you received this Explanation;
- Distribution in accordance with your benefit election is paid more than 7 days after the date this Explanation was provided.

Consequences of You Taking the Distribution Instead of Deferring Receipt of the Distribution

If you are eligible to receive a distribution from the plan, but also have the right to defer receipt of such distribution because, e.g., the value of your nonforfeitable account balance exceeds \$5,000 (or such lower automatic cash-out limit set by the plan), your decision not to defer receipt of your distribution includes the following consequences: (1) if you do not make a rollover within 60 days of receipt of the payment, you will be taxed on the taxable amount of the distribution not rolled over, and (2) for participants who are under 59 1/2 and/or who separated from service prior to the year they attained 55 at the time they take the distribution, an IRS early distribution 10% penalty tax may apply to the taxable portion of such distribution.
