

In an effort to provide the most up-to-date information to clients in a cost-effective manner, Helpside will follow a new procedure for getting federal employment poster updates to clients.

Helpside will provide an updated PDF version of all of the individual required federal employment to all clients for no charge on the Helpside Human Resources Toolbox section of the Employer Resources page on our website ([www.helpside.com/employer-resources](http://www.helpside.com/employer-resources)).

We have also created a PDF version of the large all-in-one poster that is available to all clients that can be easily sent to your favorite local printer to be printed. This can also be found on the Helpside Human Resources Toolbox section of the Employer Resources page on our website ([www.helpside.com/employer-resources](http://www.helpside.com/employer-resources)).

If you would like Helpside to print and send you a copy of the updated all-in-one poster, we would be happy to do so for a cost of \$50 per poster. New clients will receive one complimentary copy of the large all-in-one poster.

If you are interested in this option, or have any questions, please contact a member of our HR team at 1-800-748-5102 or [humanresources@helpside.com](mailto:humanresources@helpside.com).
